

Submitter: Leslie Turner
On Behalf Of:
Committee: House Committee On Emergency Management and
Veterans
Measure, Appointment or HB4121
Topic:

I oppose HB 4121 because the state of Oregon does not need a statewide emergency preparedness office. An organization like this would only make residents beholden and dependent upon the state or government and not on themselves to figure out how to handle problems and also to be able to help neighbors. The state of Oregon does not need this type of office. Stop creating new departments and offices.
