HB4134

Chair Nathanson and members of the House Committee on Revenue.

I am writing in support of the 1.25% for Wildlife. This funding is necessary for protecting our wildlife and our tourism industry. We cannot have a thriving tourism economy without healthy and abundant fish, wildlife, and the habitats that support them. This legislation would ensure we have both. At a time when the federal government is slashing funds and dismantling policies that protect our vulnerable fish and wildlife and their habitats, Oregon has a chance to set an example and protect our natural heritage. Doing so would make Oregon a national leader.

Thank you for working on this bill.
