

Submitter:	Joan Stembridge
On Behalf Of:	
Committee:	House Committee On Judiciary
Measure, Appointment or Topic:	HB4145

I am an Oregon resident and voted for Measure 114. It is long past time to implement this measure. HB4145 will help reduce gun deaths, and therefore needs to be passed now. We are in a frightening time for America, and reducing the likelihood of gun deaths is essential. Please do the right thing and pass HB4145. For the children.
