Measure, Appointment or Topic: HB4153

I oppose HB 4153. Small, local farm stands are how I get the most nutritious and affordable produce for my chronic health needs. I wish I was talented at gardening, but I am not, therefore I depend on small, local farms to grow my zucchs, kale, carrots, and squash for me. It also lifts my mood and emotional well being to interact with these farmers who know my name, support the same community causes as I do, and seem to genuinely care about my family and I. It is not fair to penalize them for being entrepreneurs on a smaller scale.

Thank you,
Maegan Lindsay
