HB4125

I oppose increasing taxes without it going before the voters. The governor does not need to be the one to fire or hire Odot leader because then it becomes a political appointment subject to the whims of whoever is in office next. Pers needs an overhaul and we shouldnt be trying to fix the problem by increasing gas and dmv fees. People are struggling in this economy and its not time for such drastic tax increases without a vote of the people. Polls show more than 80 percent of oregon oppose this tax increase and the other administration changes proposed. Please do no pass this bill.
