HB4125

I oppose any change to the kicker tax refund and any changes should be put to the voters since its our money. I am dissatisfied with the amount of time given for public testimony regarding this change. Also when looking at this change on the gov site there were no financial impacts listed and this would be a huge financial impact for most oregonians. This kind of tax change should go before the voters and we shoukd be allowed the 3 days of public testimony.
