HB4125

I am opposed to any change in our Kicker policy. We are guaranteed this and many Oregonians count on this. Rich and poor. It is our right and to change this with such short notice is cruel and evil to the citizens who pay these taxes and have made plans to pay bills or whatever is in their budget. Yes. We do budget this kicker into our budgets. This reversal of any of this kicker will harm the tax paying citizens of Oregon.
