Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4125

In Oregon, we have some of the highest tax burdens in the country. It's is not a matter of needing more money, but how it is being used. Fiscal responsibility and budgeting with available funds should be the focus. The kicker guidelines were already established and should be honored. Cost of living far outweighs income on average and you are seeing businesses and residents leave. Look at the data and use it to represent your people with integrity.
