Measure, Appointment or Topic: HB4153

I oppose this Bill based on the exclusions of small farms "farm stands".

Our small farm stand supplies our community with our locally grown food and food from other local farms.

We boost local tourism, through the "Wild Rivers Coast Food Trail, which we are a founding member of.

Many of our visitors walk into our small farm stand and say, "this is what I'd like to do" and I encourage them to start a small farm and farm stand.

Oregon is proposing to reduce the viability of more small businesses and more small farms. You can do better; Oregon needs more access to local food not less!

Do Not Pass!
