Committee:

House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or
Topic: HB4153

Our local farm stands are the heart of our communities! What they supply is invaluable to all the folks that they serve. It is their way of life and their hearts and souls show through everything that they produce and make available to our communities. It is absolutely time that we STOP taking away from the smaller community based businesses and show a whole lot more support!

Peace be with you,
Karri Gulbransen
