HB4145

Hello! I am an Oregon resident who not only voted for Measure 114 but helped canvas to get the signatures it needed for the ballot. It passed as the will and voice of the people and as such should have been implemented immediately. Instead, we sit here years later no safer and the delay due to the Courts continues. We need to reduce gun violence, and Measure 114's ban on large capacity magazines, closing the Charleston loophole, and the permit to purchase requirement should be in effect now.

HB 4145 will make the implementation of those steps more efficient and effective. They should be in place once the Court rules.

HB 4145 MUST pass this session.
