HB4138

Co-chairs Kropf and Chotzen, members of the Committee,

Thank you for the opportunity to testify in support of HB 4138. I have lived in Oregon for 46 years and am horrified by the unprecedented violence perpetrated by masked Federal Immigration Agents. This bill empowers us--the public, oversight bodies, and local authorities--to challenge non-compliant policies and seek legal remedies,

ensuring that law

enforcement agencies adhere to the law. The bill protects our civil rights and clarifies the duties and obligations of Oregon law enforcement.

Please help keep us safe by supporting HB 4138. Our lives and our neighbors' lives may depend on it.

Thank you again,

Alida Rol
