Please save & support our small farms. Having moved here from California in 2020 the many small farms have become a backdrop for so many of my families memories. My daughter's 2nd birthday was celebrated at Hoffman Farms. Easter one year was at Topaz Farm. Not to mention the pumpkin patches at Plumper and Lee Farms. And every year we get a Christmas tree at Yesteryear. And that just the big occasions.

We regularly enjoy summer nights on various farms, and berry picking all through the season. Please help save these precious memories for my family and so many others. Frequenting local farms is one of the best ways to enjoy the beauty of Oregon!
