Resources, and Water

Measure, Appointment or
Topic: HB4153

In rural Oregon here in Coos, Curry and Douglas counties we rely on small farm stands to provide local produce and products. I have never once heard a negative reaction to fresh, local foods being provided. Safety is not a concern here.... if a small farmer does not provide excellent quality and safe product they are simply canceled by the community. There is zero need for government oversight in these matters.
