Committee:

House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or
Topic: HB4153

Please allow our local communities to thrive. We love having local choices to buy from and local family attractions to visit. These have become generational traditions in many families. Please support our local farmers and small businesses by making it easier on them to earn a living and provide products to their local areas. Support them in their efforts to keep the farms in their families for generations.
