

Submitter:

Ed McGuire

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

HB4145 is an unconstitutional infringement on the second amendment. Worse, it makes criminals out of law abiding citizens who don't fully comply and criminals will continue to ignore gun laws.. absolutely nothing good will come out of this, you will not eliminate any gun violence or school shootings with this excessive overreach.
