Committee: House Committee On Revenue

Measure, Appointment or Topic: HB4125

Honorable Representatives,

Oregon is crushing taxpayers as it continues to find ways to extract even more of our hard earned money. Problems persist, even though Oregonians pay some of the highest taxes in the nation.

The real problem is mismanagement, waste and fraud. Until the State addresses these problems, no more new taxes, fees or regulations.

Oregonare vehemently rejecting new taxes and demand accountability. I am opposed to HB 4125.
