Measure, Appointment or HB4153  
Topic:

My name is Jill Jacobson and I live in Coos Bay. I am opposed to HB 4153. One of the simple joys of road trips is stopping at small roadside farm stand to buy fresh produce or honey. Also I am enrolled in a CSA (Community Supported Agriculture) program that runs a farm stand with extra produce sold at their farm stand. Not allowing farm stands would crush small farm owners. Supporting small farmers, who bring fresh produce from farm to table, should be something we should encourage not crush.
