HB4114

Honorable Co-chairs Kropf and Chotzen and Members of the House Committee on Judiciary,

Thank you for the opportunity to testify in support of HB 4114. I have lived in Eugene for nearly 30 years, most of those years as a hospital administrator. I therefore feel a particular kind of concern and abhorrence when I contemplate the vulnerability that schools and other community institutions, such as hospitals experience when exposed to the brutality by federal agents in Oregon communities and in other states. This behavior is unprecedented and totally uncalled for. We must protect our children and other vulnerable community members by passing HB 4114.

Thank you.

Rick Varnum
