HB4125

I oppose any attempt to try to take the kicker refund from citizens. Oregon does not have a revenue problem, it has a spending problem. The state is the drunken father that spends all of the families money at the bar and then when the citizens point out there is no money for the basic functions the drunken state says you should have given us more money. Stop trying to find new ways to abuse Oregonians. Cut the fraud, waste and abuse and get back to funding the basics.
