

Submitter:

Mark Cannoy

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

I strongly oppose this HB4145 as this creates an added burden on all taxpayers in the state of Oregon. The system is not set up both financially or with the manpower to implement any of these changes. HB 4145 has nothing to do with removing criminals from the streets and does nothing to make our community safer.
