Measure, Appointment or HB4153  
Topic:

My Name is Cindy Lacey Gifford and I am a COMMUNITY MEMBER in Coos Bay, Oregon. I am writing to you today to express my opposition to HB 4153. Farm stands are a vital part of connecting the public with our food system and building an understanding of what it takes to go from field to fork. But HB 4153 would restrict who is allowed to have a farm stand, replace current definitions with Farm Stores, and give large land owners privileges at the expense of small farm stands in Oregon. We need to find a better solution.

I care about this because I frequently go to a farm stand that would not meet the acreage requirements in section 2.2 of the bill.

Small farms need to have the same opportunities to sell their produce as larger farms.

This bill gives larger farms the advantage and locks out the little guy! We have ENOUGH big corporations already taking over!

Why should a small farm be any less legitimate than a large farm when it comes to defining farm use?

We are asking you to not place a higher burden on the smallest farms. This bill takes away opportunities from small land holders and farms in order for larger operations to be able to host more events. This is not a good bargain for Oregon and a better deal must be found.

Say NO to HB4153! Leave the little guys ALONE.

Thank you,
