Measure, Appointment or Topic: HB4134

As the president of the Northwest Steelheaders and on behalf of all of our members, we offer our support for this bill. We think it is necessary to have alternative funding beyond ticket sales of fishing and hunting licenses to help support wildlife efforts. Many people enjoy the outdoors and resources, but have no means to help contribute to our natural resources. We believe this would be a good way to share the financial burden.

Thank you and best of luck in this effort.
