House Committee On Revenue

Measure, Appointment or Topic:

HB4125

to the law makers you have destroyed Oregon you do not deserve are kicker check just because you can't manage money the fraud needs to stop many of government agencies cannot account for millions of tax payer dollars mean while you keep trying to still are money I suggest looking up the definition of public servant because you have not served the public for a long time if you need more money it should come out of your pocket .
