HB4145

I am a resident of Oregon and I strongly urge you to implement measure 114 now. It is time already.

A permit to purchase a firearm is one of the best ways to prevent firearm suicide. We know that putting space between a person and a gun when they are suicidal can save a life. Banning large capacity magazines helps keep Oregonians safe. Every gun sold should have a completed background check. HB 4145 would close the loophole that allows gun sales before a background check is completed if it takes longer than 3 days.
