Measure, Appointment or Topic:

HB4145

I oppose OR HB 4145, for a number of reasons:

1. Creates a permit to purchase a firearm. This impedes our ability to exercise a Constitutional right.
2. Creates an unreasonable fee, \$150 dollars to exercise this Constitutional right.
3. Creates a false narrative around standard capacity magazines.
4. Criminalizes the ownership of standard capacity magazines, if purchased after 2022, while the state currently allows sales to continue.

The right to own and carry firearms, in Oregon, is enshrined in our Oregon and US Constitutions. OR HB 4145 limits this right, and is seriously flawed, as written.

Thank you,

T. Richesin
