Please support our farmers. Our family drives out to many farms during growing seasons to buy products directly from farmers to support are State. We enjoy spending an hour or more driving thru the scenic farm land. We buy tulips, Iris, peonies, apples, berries, pears and vegetables. We buy meals in the community we visit. We drive an hour or more from Portland with our families to enjoy the farms. Please support this bill and include the smaller farms so all may benefit from direct sales. We have been doing this for 30 years our kids and grandkids love to visit the many farms.
