Measure, Appointment or Topic: HB4079

Dear Legislators on the House Committee on Education,

I write to support HB 4079 to protect the safety, integrity and right to learn safely for all Oregon children and their families.

Schools must be a place of safety for everyone. Since the current administration has defaukted on its obligation and eliminated these protections, Oregon MUST step in.

This is URGENT and MANDATORY. Please exercise your legislative responsibility to pass this legislation speedily and without compromise. Children cannot learn in an atmosphere of fear and persecution,

Sincerely,

Robert Tate
