Farmers offering direct to consumer are the heartbeat of Oregon, of any state! We the People WANT THIS TO BE AVAILABLE TO US THE PUBLIC FOR EVER!
Oregon government must stop abusing its people and its historic backbone of the state with unnecessary and asinine obstacles preventing this harmony - such as relentless bliss and taxes! Protect the farmer protect the public's direct access to the farms and farmers. Our community wants this, thieves in this relationship and demands it! Get out of the way Kotek and all you evil self interest greedy "elected" officials. Leave us and the farmers and OUR land alone!!! You weren't put in any position to be doing all the secret planning and land grabbing you've been trying to do and plotting. Enough!
