HB4153

I strongly support HB 4153. Our farmers & ranchers, especially smaller farms & ranches, are struggling financially to keep afloat. Being able to have small stands/stores that they can sell their products throughout the year (or even just during the peak season for them) can make a huge impact for them financially, and can mean the difference of putting food on their own table, clothes on their backs or paying a few extra bills one month. Again, I strongly support our farmers & ranchers and I strongly support HB 4153.
