

Submitter: Gabriela Aguilar

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB1507

“Oregon already has some of the highest income taxes in the country...” - Taren Feist. I do not need my hard earned money; that provides for my family, to be taxed (especially on sales). I should be able to afford to stay and raise my children in my home state without handing my money over to the government while already being taxed a large amount from my paycheck.
