Measure, Appointment or Topic: HB4145

I voted for measure 114. "How many deaths will it take 'til we know that too many people have died?" - And when will we do something about it? How about right now?

We need to reduce gun violence, and Measure 114's ban on large capacity magazines, closing the Charleston loophole, and the permit to purchase requirement is at least a good start.

HB 4145 will make the implementation of those steps more efficient and effective. For my children, grandchildren and great grandchildren, and for all Oregonians, HB 4145 MUST pass this session."

In peace,
