Co-chairs Kropf and Chotzen, members of the Committee,

Thank you for the opportunity to testify in support of HB 4138. I have lived in Eugene for 50 years and am horrified by Federal Immigration Agents' masked violence and overreach in our precious Oregon.

I support this bill because prohibiting facial coverings ensures that officers are identifiable, fostering trust and reducing concerns about anonymity in law enforcement actions. It is particularly important because the current Federal administration is using masking to avoid accountability for illegal behavior, up to and including murder!

Please help keep us safe by supporting HB 4138. Our lives and our neighbors' lives may depend on it.

Sincerely,  
Hillary Kittleson
