Measure, Appointment or Topic: SB1507

Stop trying to californicate our state.

Divorcing our taxes from the federal govt isn't just a bad idea, its a horrible idea. If you can't manage the money your citizens give you, get out of governance.

Oregon is watching. we see your graft with the homeless industrial complex, with the medicaid scams, with the SNAP and EBT card scams.

Do not remove this tie to Federal taxes, as you will only overburden our businesses and citizens more.

You want our state to succeed? Lower the taxes, work within your means.

Oregon has a kicker, which means you tax us too much to begin with. Stop trying to abscond with our tax dollars.
