Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB4049

Hundreds of us here in Curry and Coos counties depend on Valley Flora farms for fine quality locally grown Vegetables and fruits canning freezing or drying them for use during winter. I still have winter squash saved.

This bill if passed will damage rural Oregon tourism and economy. The bill is not in the best interest of, Oregonians! Daniel Sharpe Langlois
