Measure, Appointment or HB4153  
Topic:

I am very against this proposed bill as it puts too many restrictions on smaller or less yielding (monetarily) farms and would essentially push them out. Please vote against this bill as it would detriment MULTIPLE local small farm stands on the Southern Oregon Coast that we all love and regularly frequent. Please oppose this bill that appears to only benefit larger corporations and ruins small farm livelihoods. These are families we are talking about.
