

Submitter: Caroll'nne Breshears  
On Behalf Of:  
Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water  
Measure, Appointment or HB4153  
Topic:

Plain and simply I would appreciate the option to buy direct from the source. Not only does this keep the money circulating in the town the farm represents as they have bills and other needs, it would directly support them and their livelihoods. I'm not a fan of being forced into corporations and dime a dozen stores when they do nothing to help the community outside themselves.
