Curtis Gauthier

On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4125

Vote NO on 4125! Listen to what the majority of Oregonians want! We are tired of being taxed to death and our government's wasteful spending! This is why companies are leaving Oregon! Democrat rule has ruined our beautiful state! Driving through Salem recently was an eye opener! Trash and homeless camps everywhere...disgusting!!
