

This is in regards to House Bill 4125. “Kicker Theft bill”. This is the bill regarding the kicker refund.

I am opposed to reducing the kicker refund to pay for useless projects the government thinks it needs to do.

Here is some of the items that does not need to be supported.

CITY-OWNED BLAZER ARENA SEEKS \$600M BAILOUT

10 million on Portland Food Court

50 million on Hollywood film tax credits

10s of millions of tax dollars to subsidize luxury hotels.

10’s of millions on EV subsidies.

Lawmakers doubling tax credit for tech data centers

Billions of dollars for homeless.

These are just some of the waste of money that government is advocating for.
