Dear Chair Nathanson, Vice Chairs Reschke and Walters and members of the House Revenue Committee,

As a resident of House District 43, I want to urge you to support HB 4125 to modernize the Kicker. Please vote to move it forward!

The Revenue Forecast Modernization Act (HB 4125) is a solid government measure to create more accurate revenue predictions and thus a more stable state budget. We need increased resources - more revenue - in order to fulfill basic and foundational social promises of quality public education, access to housing and food security, and social services and medical care. I am tired of seeing our state government drain itself of money every two years in order to give the wealthiest Oregonians massive tax refunds. Ultimately, I hope we remove the kicker entirely, but passing HB 4125 is a step in the right direction.

Thank you,  
Jacob Apenes
