

Submitter:	Jim Welsh
On Behalf Of:	Oregonians
Committee:	House Committee On Judiciary
Measure, Appointment or Topic:	HB4145

Opposition to HB 4145 is needed. To all the people who say that this abomination must be passed, ask yourself why. Is it because it closes the so-called 'Charleston loophole' myth, of which there never was? HB 4145 does absolutely nothing to stop any crime. Ask yourselves, which would you like, to be judged by twelve or carried by six?
