Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4088

Co-chairs Kropf and Chotzen, members of the Committee,

I urge you to vote yes on HB 4088. House bill 4088 is essential for protecting access to, and privacy of, gender, affirming care in Oregon by prohibiting cooperation with out-of-state prosecutions and shielding local providers. This legislation strengthens the states commitment to ensuring transgender individuals can access necessary, life-saving medical care, free from legal harassment, or threats, thereby upholding bodily autonomy.

Sincerely,

Rick Vernon
