Measure, Appointment or Topic:	HB4145

As supporters of Measure 114, we believe in the necessity of certain controls on the purchase and use of firearms. Hunters and target shooters do not need high-capacity magazines. Ensuring limited oversight of gun purchases should not hinder legitimate transactions. Passing HB 415 will facilitate the implementation of the voter-approved Measure 114.

It is important that HB 415 is passed before the end of the legislative session.
