

Submitter:	Margaret Krauss
On Behalf Of:	HB4125
Committee:	House Committee On Revenue
Measure, Appointment or Topic:	HB4125

I am messaging on behalf of HB4125, The Revenue Forecast Modernization Act. This would reform the kicker to be triggered only if there is a huge budget surplus. Oregon should retain medium to moderate surpluses to invest in debts like PERS, which will free money in education, Medicare and housing to support Oregon residents and public works.
