HB4125

I am opposed to any bill that wants to change the way the Oregon kicker is distributed to the citizens of Oregon. The state of Oregon has proven they cannot spend taxpayer funds wisely. We are overburdened by taxes in this state already and now you want to keep what is constitutionally ours . The democratic controlled government has destroyed businesses, dumbled down our education system, cares more about illegal immigrants than citizens and has stolen billions in taxpayer money to fund pet projects that do nothing to improve the living of Oregon citizens. Democrats need to wake up and realize that we don't want to be California or Washington. Quit spending OUR money recklessly and learn to live within your means like every citizen has to. Hard choices need to be made but increasing taxes and stealing our hard earned money is not an option anymore.
