HB4125

The Kicker Rule is enshrined into the Oregon Constitution and cannot be changed without a vote of the People of Oregon. Please do not bother to push through a bill that will not hold up to constitutional scrutiny. That would be a waste of time, money, and energy. Instead, please learn how to effectively budget and manage money. Merely claiming tax money because you want it is not representative of the people and it certainly doesn't fall under the heading of good leadership.

I urge you in the legislature to vote DOWN this bill. You have enough of our tax dollars already. Learn good stewardship instead of just robbing the people you were voted to represent the best interests of.

We would all be better served if you simply budgeted appropriately and not over-collected to begin with. Doing this would effectively eliminate the need for 'the kicker' refund.

Sincerely, a life-long Oregon Citizen (65 years) who is tired of being nicked and dimed to death. Sadly with inflation, those coins are now dollars, and a lot of them.
