HB4125

The state Kicker belongs to the residents of the state. When the state collects too much in taxes they must return it to its citizens. This is WHY it is so important for the state to do thorough planning and budgeting. I strongly oppose the state making a new rule to take the Kicker money that has been promised to the citizens of Oregon and divert it somewhere else. The state will have to fix the current issue/shortfall in the next budget.

Thank you,
