

Submitter:	John Avery
On Behalf Of:	Self
Committee:	House Committee On Revenue
Measure, Appointment or Topic:	HB4134

I am a long-distance hiker and have enjoyed many hikes in Oregon. One thing that strikes me is how little wildlife I see. Our ecosystem functions in such a way that animals require large areas to sustain them. That is one of many reasons why I am asking you to pass HB4134 to provide ongoing support for wildlife and the protection of their habitats.
