Support for HB 4007- Micromobility Standards

Dear Chair McLain, Vice Chairs Boshart Davis and Gamba, and members of the committee,

On behalf of The Intertwine Alliance, I am sharing **support for HB 4007, with the forthcoming amendments requested by our partners managing local parks and trails and agreed upon by micromobility advocates.**

The Intertwine Alliance is the Portland region's coalition of 85 public, private and nonprofit partners working for parks, trails, greenspace and access to nature.

We believe this legislation sets appropriate and useful definitions and safety standards helpful for those managing trail systems, as well as our streets and sidewalks, for the safety of all users.

Sincerely,

Tara Wilkinson, Director
The Intertwine Alliance
