SUBJECT: Support HB 4079 to Safeguard Students and Families Chair

Hudson and all the members of the House Committee on Education

My name is Ariel and I am a student and I live in Oregon. I am writing in **strong support of HB 4079 to Safeguard Students and Families.**

Federal guidance designating schools as “sensitive areas” was rescinded in 2025 created uncertainty regarding on-campus ICE actions. Federal enforcement actions have increased in the areas around schools. In recent months schools have been forced to go into lockdown procedures, sometimes several schools in a single day.

Schools are hubs of learning, engagement and safety, and they must remain that way. Any time there is an incident involving law enforcement or unknown persons with access to weapons in or around school locations there must be clear process and communication.

*I support this bill because I think students should be able to go to school without having to worry about their families getting detained by ICE. Also, kids should not be worried or scared about going to school. This is why I support this bill.*

This bill lays out proactive and reactive communication expectations to keep everyone safe. Consistent application and consistent communication is needed so that all students, parents and staff regardless of which school they attend, are able to be safe and informed when something happens in their

community. Oregonians know when we are informed we can be stronger together.

HB 4079 is part of the 2026 Immigrant Justice Package and is backed by a broad coalition of immigrant justice advocates, civil liberties groups, unions, and community based organizations. I urge you to support these community-led policies to protect the freedoms of all Oregonians.

Sincerely,

*Ariel*
